ORDER

This matter is before the court on the motion for an extension of time by defendant Jimmie D. Windham, III (Windham) (Filing No. 39). Windham seeks until April 15, 2016, in which to file pretrial motions in accordance with the progression order. Windham's counsel represents that government's counsel has no objection to the motion. Upon consideration, the motion will be granted.

**IT IS ORDERED:**

Defendant Windham's motion for an extension of time (Filing No. 39) is granted. Windham is given until **on or before April 15, 2016**, in which to file pretrial motions pursuant to the progression order. The ends of justice have been served by granting such motion and outweigh the interests of the public and the defendant in a speedy trial. The additional **time** arising as a result of the granting of the motion, i.e., **the time between March 29, 2016, and April 15, 2016**, shall be deemed **excludable** time in any computation of time under the requirement of the Speedy Trial Act for the reason defendant's counsel requires additional time to adequately prepare the case, taking into consideration due diligence of counsel, and the novelty and complexity of this case. The failure to grant additional time might result in a miscarriage of justice. 18 U.S.C. § 3161(h)(7)(A) & (B).

DATED this 29th day of March, 2016.

United States Magistrate Judge
